

SHIFANA C C

Data Analyst | Data Science Enthusiast

Malappuram, Kerala, India | +91 9961461258 | shifanacc.186@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Economics graduate with practical experience in analyzing datasets and creating business-focused dashboards. Skilled in Python, SQL, Excel, and Power BI for uncovering trends, measuring performance, and supporting informed decision-making. Interested in applying analytical and problem-solving skills to real-world data challenges.

SKILLS

Technical Skills

- MS Excel
- Power BI
- SQL
- Python
- Data Analysis
- Data Visualization
- Machine Learning
- Statistics

Soft Skills

- Problem Solving
 - Communication
 - Analytical Thinking
 - Adaptability
 - Team Work
-

EDUCATION

Diploma in Artificial Intelligence and Data Science

IQJITA Innovative LLP — 2026

Bachelor of Arts in Economics

University of Calicut — 2025

CERTIFICATIONS

- AI & Data Science - CTDS
 - Introduction to MS Excel (Simplilearn)
 - Introduction to Data Analytics (SimpliLearn)
 - Python for Beginners (Scaler)
-

PROJECTS

AI Stock Market Prediction (Machine Learning, Streamlit)

- Developed a machine learning model to predict stock market trends using historical financial data.
- Performed data preprocessing, feature engineering, and model evaluation to improve prediction accuracy.

Economic Sector Analysis Dashboard (Power BI)

- Built a Power BI dashboard to analyse sector-wise economic performance using current and constant price data.
- Cleaned and prepared the dataset, handled missing values and unit issues, and identified trends, growth patterns, and key sector contributions

Student Placement Prediction (Machine Learning, Streamlit)

- Built a predictive model to identify student placement outcomes based on academic and skill-related factors.
- Compared multiple machine learning algorithms and selected the best-performing model using evaluation metrics.

ADDITIONAL INFORMATION

- Languages: English, Malayalam,
- Awards/Activities: Received Monthly Top Performer Award on July and April months, Conducted Excel workshop for Students.
